## EMERGENCY EVACUATION INFORMATION FOR THE PARENTS OF OUR SAVIOR'S LUTHERAN SCHOOL STUDENTS

In the event of any emergency that would require the precautionary evacuation of students from the campus of Our Savior's Lutheran School, the following information is provided to help you [the parent] determine where your child will be evacuated to and how you may recover your child from that evacuation center. It is advised that you print out this information, staple the sheets together, place them in an envelope and then place that envelope in the glove box of your vehicle so that this information is always at your ready. Print out a complete copy for each vehicle that your family drives.

Where students are taken during an emergency evacuation depends on the reason for the evacuation. We have categorized the "reasons" in to two types: Nuclear and Non-Nuclear.

### **Nuclear Emergency Evacuation**

If officials at the San Onofre Nuclear Generating Station (SONGS) determine that a precautionary evacuation is advisable, school officials will be notified and the evacuation process will be put in motion. Students from all Capistrano Unified School District campuses and private schools within the boundaries of CUSD will be evacuated to the Orange County Fair & Events Center in Costa Mesa.

*See page 2 & 3 for directions and maps to the Orange County Fair & Events Center*

### **Non-Nuclear Emergency Evacuation**

A brush fire or freeway chemical spill would be the likely causes of a non-nuclear emergency evacuation. If fire, police and school officials deem a precautionary emergency evacuation of this type is necessary, there are two area schools that are prepared to take our students in.

If the cause of the evacuation is localized, we would likely evacuate our students to La Cristianita Preschool at Christ Lutheran Church in San Clemente.

*See page 4 & 5 for directions and maps to La Cristianita Preschool*

If the cause of the evacuation is more widespread, also affecting La Cristianita Preschool, then we would evacuate our students to Saddleback Valley Christian School in San Juan Capistrano.

*See page 6 & 7 for directions and maps to Saddleback Valley Christian School*
